**ARCHAEOLOGY ADVENTURE LOST CIVILIZATION™ NOW
AVAILABLE FOR iOS MOBILE**

Puzzle-Solving Tale for All Skill Levels Invites Players to Unearth Mankind's Lost History

SAN JOSE, Calif. – May 8, 2014 – Phoenix Online Publishing™ today announced that Lost Civilization, an atmospheric adventure that challenges players to unearth the mysteries of a forgotten chapter in human history, is now available for \$4.99 in Apple's iTunes App Store. Offering a haunting blend of puzzle-solving and investigation, this archaeological thriller, accessible for all skill levels, challenges players to discover whether or not alien life exists on Earth as they explore the globe's most far-flung corners. Lost Civilization was released on PC via Steam and the Phoenix Online Store (www.postudios.com) last month.

In Lost Civilization, players take on the role of Suzanne, an amateur archaeologist, as she races to unearth the mystery of a forgotten civilization and rescue her kidnapped fiancé. Suitable for beginners and diehards alike, players are invited to journey from the dark corners of Prague to the fog-shrouded streets of London as they solve clever puzzles and unravel ancient secrets. Featuring over 70 richly-detailed and animated scenes, haunting sound effects, and a refreshing variety of challenges ranging from

clever brainteasers to eye-catching interactive mini-games, the fate of the world rests in gamers' hands.
