

FOR IMMEDIATE RELEASE

SUPREME LEAGUE OF PATRIOTS™ ISSUE 1: A PATRIOT IS BORN, SUPERHERO COMEDY ADVENTURE, AVAILABLE NOW ON iTUNES

The First Episode of the Hilarious Politically-Incorrect Adventure Is Now Available for iPad

St. Louis, MO – June 25, 2015 – Don your cape and take to the skies, Phoenix Online Publishing and No Bull Intentions today announced the release of *Supreme League of Patriots: Issue 1: A Patriot is Born* for iPad! With your mask and secret identity secure, hit the streets of New York City in this hilarious politically incorrect superhero comedy adventure that Metal Arcade calls “a refreshing take on the genre” for just \$3.99 on the iTunes store (<https://itunes.apple.com/us/app/id972447143?mt=8>).

Poking fun at pop culture, politics, reality TV and more, *Supreme League of Patriots* combines classic point-and-click gameplay with a satirical and irreverent sense of humor. Join Kyle Kever in his quest to win a spot on the newest hit reality TV show, *America's Got Superpowers*. When a freak accident turns Kyle's alter-ego, the Purple Patriot, into his main ego and triggers real superpowers at the cost of his sanity (and good taste), Kyle's got a new mission to become the hero New York deserves, and definitely *not* the one it wants. Navigating a twisted world of vigilantes and villains with his cheeky and sarcastic sidekick Mel, Kyle's got a lot to learn about the world of superheroes! “The results are hours of laughs with dashes of clever satire and groaning,” says Examiner.com.

Key Features

- Earn your spot (AKA cheat your way!) onto TV's hottest new reality show
- Fully-voiced satirical superhero antics
- Discover, befriend and declare your enemies from the city's zany and colorful cast of superheroes and archenemies
- Tiered hint system to make the game as challenging as you want it to be
- Fantastic original soundtrack composed by Jake "Virt" Kaufman

A free demo version is also available now for the iPad (<https://itunes.apple.com/us/app/id983090933?mt=8>), and all three issues of the game are available for PC, Mac, and Linux on Steam, GOG.com, and the Phoenix Online Store (<http://store.postudios.com/>).
