BESTSELLING HORROR ADVENTURE THE LAST DOOR: COLLECTOR'S EDITION™ OUT NOW FOR iOS AND ANDROID MOBILE DEVICES

Award-Winning 8-Bit Horror Adventure Comes to the App Store and Google Play

St Louis, MO – November 13, 2014 – Phoenix Online Publishing is excited to announce that #1 bestselling, retro-themed horror adventure *The Last Door: Collector's Edition* is available as of today for the iOS and Android mobile platforms. Hailed by critics as a “love letter to H.P. Lovecraft,” this award-winning low-res, high-suspense tale compiles four episodes of occult and otherworldly terror into one terrifyingly must-see collector’s set, adding all-new puzzles, scenes, and stories, as well as enhanced graphics and remastered sound. Players can download the first chapter free now, with chapters two to four of the game available for just \$2.99 as an in-app purchase in the iTunes store (<https://itunes.apple.com/app/id926347646>) and on Google Play (<https://play.google.com/store/apps/details?id=com.postudios.tldce>).

Players will feel what it's truly like to be alone in the dark with the iOS and Android editions of this multiple Best Games of the Year award-winner as they explore ancient manors, decaying tenements, and twisting underground warrens with little but a lamp and magnifying glass to them. Victorian England's deepest, darkest secrets await in this horror novel-inspired game. With each chapter, Jeremiah Devitt’s search for the hidden truths of his past pull him deeper into the darkness he may wish he’d left uncovered. Dare you open *The Last Door: Collector's Edition*?
